Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Trustees are made aware of the Constitution and the policies on Safeguarding and Equality & Diversity and of the three Charity Commission guidance documents on public benefit PB1, PB2 and PB3.

The Pilton Green Man CIO is the umbrella organisation for two sub-committees running the Pilton Green Man Day in July and Pilton Theatre Productions running the Pilton Panto in February. At least one trustee is an active member of each sub-committee.

The two operating sub-committees carry out detailed risk assessments of their operations and also prepare detailed event management plans as appropriate.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To promote good citizenship for the public benefit by facilitating the development of a volunteer force to assist the community, in particular but not exclusively those members of the community who are in need, in such ways as the trustees may from time to time decide. To advance such charitable purposes (according to the law of England and Wales) as the trustees see fit, in particular, but not limited to, the promotion of the arts and advancement of education in the history of Pilton, primarily but not exclusively, for the benefit of the people of the Pilton ward of Bamstaple, Devon and will be achieved through the making of grants or providing other support.

The trustees meet four times a year to ensure that the organisation of the Pilton Green Man Day and the Pilton Panto is satisfactory and to consider applications for awards and the completion reports from projects to which awards have been made.

We confirm that the trustees have had regard to the Charity Commission's guidance on public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The charitable objectives are met by making small grants available to community organisations, charities, groups and individuals to carry out projects which will benefit the people of Pilton. The geographical area of Pilton covers the area approximately from the ND District Hospital to Pottington and from Bradford to Raleigh and Yeo Vale and there is a resident population of around 5,000.

In 2018, three grants amounting to £750 were awarded of which all have been taken up.

Summary of the main achievements of the charity during the year

In October 2018 the trustees approved the following awards:

Award to Lucy Lake

An application for £200 funding for help with the cost of a trip to Kira Farm in Uganda with 18 other students from year 10 at Pilton Community College in October 2018 was approved. Kira Farm is a sustainable development centre set up and funded by the Amigos charity of Barnstaple. Whilst in Uganda, Lucy taught in local schools and worked alongside the Kira Farm students as they go about their daily routines; farming, cooking, building, sewing, etc.

Award to Matt Steele

An application for £200 funding for help with the cost of the trip to Kira Farm, was also approved in October 2018. Matt Steele, who lives in Pilton, also worked as a volunteer at Kira Farm, near Kampala, Uganda, during the visit of the group from Pilton Community College. Kira Farm is a development for young people coming from deprived and abusive backgrounds, which teaches them life and career skills.

Lucy and Matt will be sharing their experience with the Pilton Community during 2019.

Award for School Choir Trip to Wembley Arena

An award of £350 was made to Pilton Bluecoat Academy, for a trip for the school choir of 35 pupils to sing at the 'Voice in a Million' concert at Wembley Arena in March 2019. This annual concert promotes school singing and raises awareness of the plight of children in care and the importance of adoption and fostering both in the UK and worldwide. It gives the children an opportunity to sing in an iconic arena and helps foster a love of singing and raise the profile of music and arts. At the same time it makes a difference to less fortunate children than them and encourages the sense of citizenship and community.

The Outcomes of the 2017 Awards

Partly as a result of the CIO's support to two members in 2017, the **North Devon Sinfonia** (NDS) has now launched the **NDS Classical Music Festival** in March 2019. There will be about 12 workshops in primary schools around the area and then in Festival week there will be in-school concerts at Primary and Secondary level. The Workshops and Concerts aim to pull young players together at a full day of music-making on March 15th, followed by attendance at the Festival concerts on March 16th and 17th.

As a result of changes to the management and facilities of Barnstaple Library, the application for the award of £300 to **The Friends of Barnstaple Library** made in 2017 has been withdrawn. A re-application might be made in the future.

Because of delays to the implementation of the new bar in **Pilton Church Hall**, only £700 has thus far been paid out to cover the preparation of the design drawings and the successful planning and listed building application. The remaining monies of £1,500 are being retained pending completion of the work.

Section E Financial review

Brief statement of the charity's policy on reserves

The reserves policy of the CIO is to hold a sum equivalent to the loss which might be incurred in a worse case of complete washout of the Pilton Green Man Day, about £8,000.

Details of any funds materially in deficit

There are none.

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal source of funds in 2018 was the Pilton Green Man Day on the third Saturday in July.

This profit has enabled the charity to make community awards within or related to Pilton.
