## Dear Residents

If you park a car on Pilton Street, it would be very helpful if you would move it out of the Street by 8am on the day to allow setting up of stalls and stages to begin. **Please note that access to Pilton House up the back lane on the east side of the Street may be required for emergency vehicles during the day so please park thoughtfully.** We apologise for any inconvenience Pilton Green Man Day might cause you and thank you for your patience.

OLD AND NEW WELCOME

## GREEN MAN DAY BEGINS

Up with the lark are the committee and their helpers to set up Pilton Street, Rotary Gardens and the stages. Bins to put out, marquees to erect, participants to be directed to their positions for the day.

Bacon butties and a cup of tea wouldn't go amiss!

## THE PROCESSION

The procession begins at Barnstaple Square at 11.00am and makes its way along the High Street and Pilton Causeway to arrive at the bottom of Pilton Street by 11.30am. Processing up the street and turning into Pilton House grounds. Look out for the large Green and Red Masks leading the way.

## THE PAGEANT (Rotary Gardens 12 noon and 3pm)

The Green Man is an ancient Pagan symbol of nature and fertility frequently depicted in carvings in old churches as a face sprouting foliage. A splendid green man carving can be seen in St Mary the Virgin Church in Pilton.

The Prior of the Benedictine Priory of Pilton lived in at The Bull House below the church until the reformation. The ritual enacted at Green Man Day is believed to represent the initial antagonism of the two characters, Prior and Green Man, represented by Red and Green masks and the subsequent inclusion of the Pagan figure within the church. Under the direction of Bev Neighbour and Pip Cartmell, it takes place in the arena at the top of Rotary Gardens.

# Pilton & Green Man Day

Pilton is a self-contained community within Barnstaple which enjoys a unique village atmosphere. The celebration is in the tradition of the legendary charter granted by Edward III in 1344 for a market and fair in Pilton and today it continues to provide a great spectacle of fun, festivities and feasting for people of all ages. It also serves as a valuable platform for local charities to raise awareness and funds.

The day could not take place without the skill and dedication of a hardworking Committee. This band of unpaid volunteers gives its time for all our enjoyment.

The event is non-profit making and we are eternally grateful to the generosity of everyone who has sponsored and supported the committees fundraising.

Please support our advertisers throughout the coming year as without them we could not produce this programme or put on the day in Pilton for you.

**If you feel you are able to help with next year's Green Man Day in anyway please contact us via our email [piltonfestival@googlemail.com](mailto:piltonfestival@googlemail.com). The Green Man committee needs new members.**

## New Trust to Benefit Pilton Community

Pilton Green Man Day is now overseen by a new charitable trust, the **PILTON GREEN MAN CIO\*** (Registered Charity Number 1170742). Its aims can be summarised as:

*'to promote good citizenship and advance charitable purposes in the arts, history and other areas for the benefit of the people of Pilton, funded through the annual Green Man Day'.*

It has already supported the Pilton Panto, to help re-establish this event in the Church Hall, and The Pilton Story. Individuals and community groups are invited to apply for funding for projects from the accumulated profit of recent Green Man Days. Initial ideas include creating a community allotment or composting, support to the schools and community groups, and organising volunteers to combat loneliness and isolation in all ages and tea parties for the elderly. Would you like to help? Talk to one of the trustees or email them through the website [www.piltonfestival.co.uk](http://www.piltonfestival.co.uk).

The eight trustees are Richard Stevens (Chair), Marc Brayley (Treasurer), Susan O'Grady, Siobhan Roissetter, Warwick Neighbour, Liz Davies, Louise Thomas and Martin Hadrill.

\*CIO means Charitable Incorporated Organisation, a simple form of trust.

# Pilton Street & Rotary Gardens

Central to Green Man Day is Pilton Street, with the hustle and bustle amongst the stalls, the arrival of the procession and a day of music from the three stages.

In recent years, festivities have expanded into the comfort of Rotary Gardens, a splendid setting for family-based activities with children's soft-play and free-play areas and a hand-cranked Victorian merry-go-round.

Dotted amongst the trees, arts and craftsmen will demonstrate their skills and local interest groups and charities will 'set out their stalls'. The hugely entertaining Wyvern Tales will be performing

throughout the day with story-telling and interactive workshops. Look out for Matt Lemon with his juggling, yoyos and balloon art. You might chance upon DJ Magician pedalling around on his unicycle. As if that's not enough for a cracking day out, Uncle Tacko is returning with his amazing flea circus and Dave Hendy will perform his Punch & Judy at 2.00pm and 3.30pm

Should you wish to simply chill out, just pick your spot, and stretch out. You might even want to bring a picnic along, or if Mum or Dad want a break, there's a huge range of street food outlets, Monty's Caribbean Kitchen, Seasonal Samosas, Lola's wings, Andrew Gratton's locally sourced Hog Roast and many more. Don't forget the Pimms tent.

On a more practical level, along the North Road side of the gardens will be the portaloos, a facility not to be sniffed at.
